

LANDSCAPE MIX TECHNICAL DATA SHEET

DESCRIPTION: Earthborn Landscape Mix is loaded with organics, composted over a 12-16 week period and complies with Australian Standards AS4419. The larger organic matter in this blend improves growth and sustainability when establishing new gardens.

PROPERTIES:

- Specially designed to stimulate plant growth and encourage profound root formations
- Possesses excellent drainage qualities whilst sustaining balance between air-filled porosity and water holding capacity
- Fully composted from 100% recycled organic material free from weed and pathogen
- Neutral to slightly alkaline pH levels
- A coarser blend which is passed through a 15mm screen to promote more sustainable gardens
- Externally lab tested by Independent Soil Testers to conform to Australian Standards 4419 for Soils

APPLICATION:

- Appropriate for all types of plants
- Mulching with this product will protect the soil from cracking and drying
