

## LIGHTWEIGHT PODIUM MIX TECHNICAL DATA SHEET

**DESCRIPTION:** Earthborn Lightweight Podium Mix has been specially formulated for planter box and on-slab planting applications. It is a nutrient enriched soil blend which is composted over a 12 - 16 week period and complies with Australian Standards AS4419.

- PROPERTIES:**
- A blend of fully composted 0 - 12mm pine bark, washed river sand and soil providing minimum shrinkage and compaction rates
  - Possesses excellent drainage qualities whilst sustaining a balance between air-filled porosity and water holding capacity
  - Light weight product for easy installation
  - Incorporated with a 2-3 month controlled release fertilizer and pH adjusted to 6.5 to promote exceptional nutritional and physical properties
  - Externally lab tested by Independent Soil Testers to conform to Australian Standards 4419 for Soils and AS3743 for Potting Mixes

- APPLICATION:**
- Appropriate for all types of plants
  - Re-application of fertilizes is recommended every 6 months
